

Mini Eclipse Quilt

FINISHED SIZE 12"

Materials Needed:

Lights:

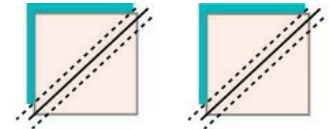

- 2- 4" X 4" – center half square triangles
- 4- 2 1/2" X 2 1/2" corner half square triangles
- 4- 2" X 2" corner squares
- 2- 4 1/2" X 4 1/2" – light flying geese background
- 2- 6" X 6" – light flying geese points

Darks:

- 2- 4" X 4" – center half square triangles
- 4- 2 1/2" X 2 1/2" corner half square triangles
- 4- 2" X 2" corner squares
- 2- 4 1/2" X 4 1/2" – light flying geese background
- 2- 6" X 6" – light flying geese points

Small Star Blocks instructions~

- 1- Draw a line on the WRONG side of the light 4" squares from corner to corner diagonally
- 2- Lay right sides together, the light on light and dark on dark 4" squares
- 3- Sew on both sides of the drawn line 1/4" seam
- 4- Cut on the drawn line and iron
- 5- Trim to 3 1/2" X 3 1/2"

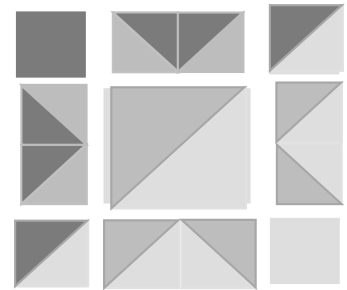

Repeat the process with the 2 1/2" squares– Square up to 2" X 2"

Flying Geese Instructions~ Flying geese instructions on separate page

Block Instructions~

Lay the block out in the following– all the blocks can be completed this ways
(they'll be moved around for placement later)

make sure you place the half square triangles the correct direction so it looks like the square is cut in half diagonally.

you'll have 4 blocks
square up blocks to 6 1/2" X 6 1/2"

Mini Quilt Instructions~

- 1- Lay the 4 blocks out, play with their placement until satisfied - there are a few fun options to choose from
- 2- Sew the blocks together
- 3- Layer top, batting and backing. Quilt as desired & bind.

Flying Geese Units

Flying Geese Instructions~

1- Sew 4 sets of large and small fabrics together to make 16 flying geese total.
– Sew the 4 1/2" and 6" light squares together, and the 4 1/2" and 6" dark squares together

*Be aware that the pictures may show light and dark, but use above instructions for piecing the flying geese units. Light with light, dark with dark.

2- Draw a line from corner to corner on the wrong side of the smaller square

3- Sew on both sides of the line 1/4" seam

4- Cut on the drawn line and press open

5- Place the squares -right sides facing- the small pieces will be opposite. It looks a little weird.

*you are lining up the outside edges. DO NOT line up the center seam

6- Draw a line from corner to corner on the wrong side– your line will cross the center seam

7- Sew on both sides of the line 1/4" seam

8- Cut on the drawn line and iron

9- The first cut will be 1/4" past the **point** of the flying geese- then use this line to trim the opposite side.

10- Trim up your flying geese units to 2" X 3 1/2"
