

ADD A SLEEVE WORKSHEET:

1. Measure around the sleeve armhole and write down the measurement (round to the nearest 1/4 inch): _____
2. Divide that number in 1/2" and write it down here: _____
3. Add 1" to that number for the seam allowances: _____
4. Draw a horizontal line on the paper that is the length of the number you wrote down in step 3. Make a mark at the half-way point on that line. This line is the width of the sleeve pattern.
5. Divide the number in step 2 by 3 and write that here (round to the nearest 1/8 inch):

6. Add 1/2" to the number in step 5 for the seam allowance: _____

This worksheet is a free printable to be used with the step by step instructions found here:
